

The 14th Annual Bill Volpe Golf Classic

The Bill Volpe Golf Classic has become a tradition in Orange County. The tournament is attended by over 100 professionals and business people from Orange County, neighboring counties, and beyond.

Sponsoring gives you high visibility and recognition, while benefiting an important cause.

The Arc Sullivan-Orange Counties is a not-for-profit organization that serves more than 2,000 children and adults with developmental and/or intellectual disabilities in Orange & Sullivan Counties.

Your sponsorship will go toward our mission to create an environment for the people we support so they can live as respected, valued members of the community.

The Powelton Club course is challenging and memorable, accentuated by quick greens, tight fairways with deep rough, and troublesome pin placements. Awards include best team score, most honest team, and on-course challenges.

Bill Volpe was an outstanding advocate for the former Arc of Orange County (Orange AHRC) since the 1960s. He was instrumental in helping us acquire our first residence and later our administrative center in Newburgh. Bill was an active community member of the city of Newburgh, the owner of W. A. Volpe Company for forty years and a member of the Board of Directors of The Powelton Club, where he and his family were long time members. Bill passed away in September of 2018 and we continue to hold the Bill Volpe Golf Classic in his memory.
